U.S. Department of Energy

Wednesday, April 6 • 1 p.m. - 1:45 p.m.  
SIU Carbondale Student Center Auditorium

RSVP to Delio at (618) 453-4001 or [rsvp@paulsimoninstitute.org](mailto:rsvp@paulsimoninstitute.org) by Monday, April 4, 2016.

## SIU ENERGY DAY

At SIU Energy Day on April 6, come learn about the biggest trends in energy and meet people at SIU working on solving the big energy problems. The first SIU Energy Day is scheduled for April 6, 2016, 9:00 a.m. - 4:30 p.m. as part of Da Vinci Days. SIU Energy Day highlights include two top-notch keynote speakers, a carbon dioxide utilization discussion panel, awarding of Energy Boost scholarships and grants, and the Expo with posters and demos by SIU researchers, students, departments and local energy businesses. This event is for students, faculty, industry, alumni, and anyone interested in energy and energy education and research opportunities at SIU.

This event is sponsored by the **Advanced Coal and Energy Research Center's Energy Boost Program.**
