BOOKS

TRANSITION OF THE AGES: The Departure of Ike, the Arrival of JFK, and the Continuing Battle for America's Future

January 1961 marked a transition of presidential power that ushered in a new age in American politics and culture. Dwight David Eisenhower, the 34th president of the United States, and John Fitzgerald Kennedy, the 35th president, were two of the most intriguing and compelling political figures of the 20th century. *Transition of the Ages* details the end of the Age of Eisenhower and the onset of the Age of Kennedy. (Pegasus 2018)

JFK IN THE SENATE: Pathway to the Presidency

From 1953 to 1960 John F. Kennedy served as the junior senator from Massachusetts and mastered the nuances of American politics. *JFK in the Senate* explains how he used the upper chamber as a policy and political training ground and launching pad to become only the second person in U.S. history to go directly from the Senate to the White House. (Palgrave Macmillan 2013)

RICHARD G. LUGAR, STATESMAN OF THE SENATE: Crafting Foreign Policy from Capitol Hill

An examination of the two-time chairman of the Senate Foreign Relations Committee and one of the most widely respected foreign policy experts in Congress. (Indiana University Press 2012)

THE AMBASSADOR: Inside the Life of a Working Diplomat

Based on two years of in-depth research of Jan Eliasson, Sweden's ambassador to the United States from 2000 to 2005. The book details what it takes to successfully represent your country in the United States and how diplomacy influences global politics and international relations. Foreword by former Supreme Court Justice Sandra Day O'Connor. (Capital Books 2006)

WASHINGTON DIPLOMACY: Profiles of People of World Influence

A compilation of more than five dozen profiles of diplomats, scholars, and world leaders in international affairs including Joe Biden, Henry Kissinger, George Mitchell, Jessica Mathews, Richard Holbrooke, Susan Rice, and George Shultz. Introduction by former Defense Secretary Chuck Hagel. (Algora 2002)
